1. The contractor shall quote for each individual item of work in the estimate and the rates as quoted shall hold good if the tender is accepted within six months from the date of tender.

2. Plans, estimates and other particulars regarding rules, etc., can be had for inspection in the Office of the Executive Engineer, Bangalore Division, Bangalore, on all working days between 2 P.M. and 4 P.M.

3. The successful contractor shall bind himself to abide by the departmental rules in force and shall execute the necessary *mutchalika* within seven days of receipt of intimation regarding acceptance of his tender; failing which, his earnest money will be forfeited.

4. Tenders will not be considered unless they are in the form which will be supplied on payment of Re. 1-0-0 at the Office of the Executive Engineer.

5. Each tender shall be accompanied by a chellan for Rs. 825 as earnest money paid at any Government Treasury under "Revenue Deposits".

6. The final acceptance of the tender will rest with the competent authority. For non-tendered items of work the minimum schedule of rates will be given if the items should be scheduled items, otherwise rates arrived at from data sheets as per actuals with 10 per cent contractor's profit will be given.

7. Separate charges will not be paid for baling water.

8. Sales-tax, or any other tax on materials in respect of the contract shall be payable by the contractor and Government will not entertain any claim whatsoever in this respect.

9. The contractor will as far as practicable recruit the personnel required by him through the nearest Employment Exchange in the region.

10. Sales-tax will be recovered at the prescribed rate on all the bills.

11. Sales-tax and income-tax clearance certificates shall also be enclosed along with the tender in the prescribed form as per G.O. No. Fl. 4267-4416—S.T. 32-53-2, dated 20th August 1953, failing which, the tender will be rejected.

12. No enhanced rates will be paid at any time due to fluctuation of rates in Market in respect of cement, steel and other materials.

13. Controlled articles that have to be procured and supplied by the department will be issued either at the Divisional Stores or Sub-Division Stores wherever articles will be available, at the prevailing-issue rate at the time of issue.

R. A. SAMPATH IYENGAR,
Ex. Engr.

Published on pages 1755-56 of the *Mysore Gazette*, dated 19th July 1956.

The last date of receipt of tenders is 8th August 1956.

The necessary earnest money should be deposited at the Chief Electrical Engineer's Office and the receipt thereof should be attached to the tenders.

868

Notification dated 24th July 1956.

Sealed tenders in duplicate duly signed by the contractors will be received in the Office of the Executive Engineer, Electrical Division, Bangalore, up to 2 P.M. on 23rd August 1956, for the following works:—

Sl. No.	Name of work	Approximate amount (work portion) Rs.	Earnest money Rs.	Period of completion	Monthly minimum progress Rs.
	At Thyamagondlu.				
1	Office and Stores as per G 324	...	...	...	...
2	Double Block of Operator's Quarters as per G 383 A ...	... 6,583	330	5 months	1,300
3	One Block of 2 Linemen's Quarters as per G 656 remodified	... 10,257	513	6 do	1,700
	Block I	... 4,397	220	4 do	1,000
	Block II	... 4,397	220	4 do	1,000
4	Half Block of 2 Linemen's Quarters as per G 650 remodified	... 2,293	115	3 do	700

1 The tenders will be opened in public at 3 P.M. on 23rd August 1956.

2 The contractor shall quote for each individual item of work both in words and figures in the estimates and the rates quoted shall hold good till the works are completed. The rates quoted should include provision for payments of sales-tax, royalty or any tax due to Government.

3 The tender will hold good till the acceptance or otherwise by the competent authorities.

4 For lumpsum provision or for non-tendered items, the rates will be paid as per current minimum schedule in the case of scheduled items and rate with (ten) 10 per cent of the profit for items which do not find place in the schedule.

5 No conditional clauses will be accepted.

6 No cheques will be accepted for earnest money and no request for the adjustment of amount due by the Government can be entertained.

7 Tenders will not be considered unless they are in the prescribed form which will be supplied on payment of Re. 0-4-0 at the office of the Executive Engineer, Electrical Division, High Grounds, Bangalore-1.

8 The successful contractor shall bind himself to abide by the departmental rules and specifications in force and shall execute the necessary *mutchalika* within seven days from the date of intimation of acceptance of his tender, failing which, his tender will be cancelled unconditionally and his earnest money will be forfeited.

9 Each tender should be accompanied by a receipt towards earnest money paid in cash at the Chief Electrical Engineer's Office, Bangalore.

10 The final acceptance of the tender will rest with the competent authority. The estimate and plan will be available for perusal of intending tenderers and any further particulars required will be had at the Office of the Executive Engineer, Electrical Division, High Grounds, Bangalore-1, on all working days during office hours.

11 The Department is not bound to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any.

12 The cost as per current rate of cement and steel or value at the controlled rates at the time of execution will be recovered from the bills in case they are supplied departmentally. The materials can be had from the nearest departmental stores. An additional 15 per cent on cost of the materials supplied from the Department will be charged as centage.

13 Reserve and earnest money deposits will be repaid only at the time of settlement of final bill.

14 Tendered contractors have to pay compensation to the disabled workmen working under them for any injury or death caused or occurred during the execution of this work, failing which, the amount will be deducted from the bills and paid to the injured or to the legal heirs of the deceased.

15 The term "specification" mentioned either in the schedule or in the estimate in the notified items would mean "Specific" items of work to be done according to the instructions of the Civil Engineering Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

16 The department does not undertake the responsibility to supply lorries to the contractors.

17 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

18 The works should not be sub-let.

19 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, and bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

20 The contractor should furnish an income-tax clearance and sales-tax clearance certificates along with the tender as per rules.

21 The contractor will, as far as practicable, recruit the personnel required by him through the nearest employment exchange in the region.

22 The contractor should furnish the tender in duplicate only and should there be any difference in rates between the original and duplicate, the lowest of the two only will be considered.

G. KRISHNASWAMY,
Ex. Engr

908
